

## How much do you know about animals and wildlife?

Explore King's Cross with this fun, outdoor trail, answer the riddles and find out more about some common and not so common creatures.

King's Cross is home to many plants, insects and animals. Keep an eye out as you walk around and see how many you can spot.

Once you're done, there's a sweet surprise waiting for you back at the Visitor Centre!

### CAMLEY STREET NATURAL PARK

This urban nature reserve is a haven for plants and wildlife, perfect for kids to explore and find out about our natural environment.

**OPENING HOURS:**  
Mon–Sun 10am to 5pm

## TASTY TREATS

**Longboys** for the best doughnuts

**Ruby Violet** for an icy treat

**Waitrose** for snacks and drinks

**Happy Face** for pizza fans

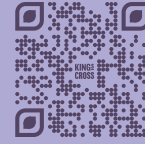

Scan the QR code for all your family-friendly options.

**1** What do dogs and trees have in common?

Pssst...if you need a clue, it starts with B.

**2** Fill in the blanks:  
H \_\_  
The sound a bee makes  
H \_\_\_  
Home sweet home for a bee  
H \_\_\_  
Yummy and sticky – bees make this.

**6** Duck through the arches by the canal for a history lesson... What fantastic beast arrived in King's Cross by train in 1937?

Try the AR experience in Instagram. What do you see splashing in the canal?

**7** Look at the mirrors around the park to find creatures which have become extinct in Britain. How many can you name?

### PIT STOP

Explore lots of family-friendly experiences and events at Samsung KX. Don't miss the Gaming Bus and the racing car simulator.

**3** I sleep all day and fly by night.  
At Halloween I'll give you a fright.  
What am I?

**4** What noise does a cat make when it is happy?

What does it say when it is cross?

**5** Whose baby am I?  
Duckling: D \_\_\_  
Gosling: G \_\_\_  
Cygnet: S \_\_\_

**8** My hair is a mane and I mainly eat hay. If you give me a treat, it's neigh that I say. What am I?

**9** Hop, skip, jump and learn some facts about trees. Can you name three different types of trees?

**10** I'm cute and small and roll up in a ball. If you try to tickle, I'll give you a prickle. What am I?
